School Processes & Programs

School Processes & Programs Summary

Aiken Elementary uses a hiring committee composed of administrators and teachers to make hiring determinations. Novice teachers are provided a grade-level mentor and administrative mentor so that they have success in their profession.

Several sources provide our campus valuable data for Curriculum, Instruction and Assessment in regards to the identification of needs. The TPRI/Tejas Lee and CIRCLE PM are used as a tool of assessment at the beginning of year (BOY), Middle Of year (MOY) and End Of Year (EOY) for teachers to regroup students and target their needs. Benchmarks are conducted at different times including Fall and Spring, in order to track student progress and assess TEKS mastery. STAAR results and TELPAS results are all assessments used to analyze student progress and adjust instruction as needed. AR reports are analyzed to determine student reading levels. Administration will assess instruction by periodically looking at student work samples, teacher lesson plans, and conduct teacher observations.

Our campus used several sources that provide valuable data for family and community involvement. These include having businesses adopt our school, having parent trainings/meetings for the 3 year old program as well as ALL parents. Parent volunteers are welcomed and parent surveys are often sent out as a means of communicating the need for community involvement. Parent survey indicates they are satisfied with the campus and its staff. Light refreshments will be served during weekly parent meetings. Parents and community members have access to the Campus Improvement Plan on the school's website and front office.

Aiken Elementary uses several sources that provide valuable data for school context and organization in regards to identifying our needs. Regular education teachers have co-planning sessions with Special Education and migrant teachers to ensure that proper planning is taking place to target students' academic as well as overall necessities in the educational setting. The master schedule is frequently reviewed and carefully created to match the needs of the school. Aiken teachers have an active role in the decision making process by having them participate in several committees, SBDM meetings, faculty and grade level meetings. The Aiken staff reviews CIP and helps rate the progress of goals and list of campus priorities and strategies. Support services are available at the campus and district level. Communication is frequently conducted in English and Spanish and includes notices with letterhead, website, email and/or the school messenger system. Duty rosters are provided for those who need to assist with duties. Vertical and horizontal planning occurs as necessary, a minimum of twice a year.

Aiken Elementary also ensures student and staff safety by following a crisis plan, lockdown practices, and fire drills. All staff and students are aware of the exits and procedures to follow in an emergency situation.

Bullying Cyberbullying David's Law SB 179

BROWNSVILLE INDEPENDENT SCHOOL DISTRICT
GUIDANCE & COUNSELING DEPARTMENT

HB 1942 Effective 2012-2013

Bullying - Cyberbullying

Engaging in **WRITTEN** or **VERBAL** expression, expression through **ELECTRONIC MEANS**, or **PHYSICAL CONDUCT** that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the District and that:

1. Has the effect or will have the effect of physically harming a student, causing a student to experience substantial negative mental health effects, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;

David's Law SB 179

Effective: September 1, 2017

Amends the Education Code 37.0832 regarding bullying to include cyberbullying. Both are now classified as a criminal offense if:

- 2. “is sufficiently severe, persistent, **or** pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student”

This Law is for a **single significant act** or **a pattern of acts** by one or more students directed at another student.

Cyberbullying that is done through the use of any electronic communication device including through the use of cell or other type of phone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an internet website, or any other internet-based communication tool.”

HB 1942 Effective 2012-2013

Bullying - Cyberbullying

The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

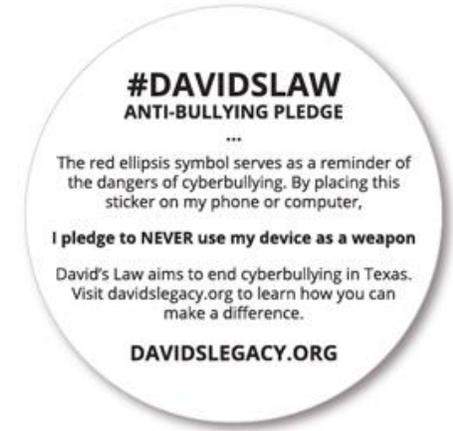

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

David Molak

David Molak, a Texas student who took his own life in 2016 at just 16 years old. His family says he was tortured by cyberbullies from Alamo Heights High School north of San Antonio, Texas

The Texas Senate voted 31-0 to approve SB 179, known as “David’s Law” that will crack down on online bullying in state schools. The Governor signed SB 179 on June 9, 2017

SB179 - HIGHLIGHTS

- Include cyberbullying policies in district policies
- Time mandates to notify parents of victim and alleged aggressor
- Gives school districts the ability to investigate bullying off campus
- Greater latitude to place students in a disciplinary alternative education program

David's Law will prevent and combat bullying in schools through several measures.

- Texas laws need to keep pace with evolving technology.
- Students like David Molak were being harassed and threatened on social media not in the gym locker room.
- **David's Law will empower school administrators and law enforcement to go after and reprimand the bullies who prey on students, while focusing on rehabilitation.**
